TRIPLE TREE GOLF CART RENTAL RESERVATIONS

Unlike many other venues, Triple Tree welcomes guest owned golf carts. For those guests that do not own golf carts but desire to have one to use at our events, Triple Tree is again pleased to offer rental carts. Triple Tree has an exclusive agreement with Golf Cart Service, Inc. which will provide Triple Tree with a limited number of carts for Joe Nail Week. Triple Tree will be responsible for all reservations and rental management. Guests will reserve the carts directly with Triple Tree via our web site. All reservations will require a three day minimum and they MUST be reserved thru the Triple Tree system. Proceeds from these golf rentals are a very important source of operating funds during the year so any rental carts arranged and delivered thru other vendors to Triple Tree will be turned away.

A limited number of carts will be available. They will be reserved on a first come, first served basis. Carts are gas powered, have windshields, tops and headlights. Carts will be delivered full of gas. Renter will be responsible for any additional fuel required.

Cart renters will be responsible for loss or damage. Carts will be checked before and after rental. Any damage, loss occurring during rental period or use extended beyond rental agreement will be noted and the renter will be charged. You must be 18 years of age or older to rent cart.

You must be 16 years of age with a valid drivers license to drive cart. Carts must be returned by 8:00 pm on the final day of the rental so they can be made ready for the next days customer. Failure to return the cart by 8:00 pm on the due date will result in an additional charge.

To reserve your cart go to www.tripletreeaerodrome.com and follow the links to Joe Nail and then click on Golf Carts. If you have questions about cart rental, don't have internet or need assistance, you may call Ginger at 770-552-0639 or e-mail at gingsnap@hotmail.com
